## Mission Statement

- Proclaim – Heal – Teach
- Our primary goal is to proclaim the love of Jesus Christ by first meeting the healthcare needs of the poor and destitute people groups of underserved countries through medical and dental services.
- We seek to heal the physical and emotional needs of the poor through the provision of excellent medical and dental care in conjunction with local Christian medical/dental professionals who work with us while we are in their country.
- We hope to teach our patients the necessary skills to prevent disease and preserve wellbeing thus improving the health of the community as a whole
- We recognize our mission is not our own, but the Lord's, and therefore subject to His will and His plans. Therefore we pledge to remain in constant prayer in order to seek both actively His will and humbly to request His blessings as we continue to proclaim His love, heal the sick, and teach His children.

I understand that **Luke 9:2 Ministries** Medical Mission Teams are a Christian witness dedicated to serving God. I also understand that when I travel as a **Luke 9:2 Ministries** Medical Mission Team member, I represent God, my country, and the ministry; therefore I will refrain from any behavior that casts doubt on the Christian standards of **Luke 9:2 Ministries** or my fellow team members. While on a Medical Mission Trip, I will not smoke, use tobacco, consume alcohol, or exhibit any behavior that is offensive to in-country hosts or to another mission-team member. I understand that the purpose of my participation is to glorify God. I understand that if my conduct does not comply with the appropriate standards of conduct as described above, I could be asked by my team leader to leave the team immediately and return home at my own expense.
